SUBJECT: Log Scan Request Status

On 30 November 2011, R/I contacted OEMC/PSIT (Public Safety IT Administration) at PAX 0727 to ascertain the status of a Log Scan request which was forwarded to the Information Services Division on 25 October 2011.

Information was received that the request had been forwarded to Eric Gaffney, Acting Data Warehouse Manager, on 26 October 2011 and the request was still active. Gaffney was on the medical on today's date and will be contacted at 312-745-5538 ext. 83282 tomorrow.

R/I attempted to contact Eric Gaffney again on 01 and 06 December 2011 with negative results. A second call was placed to PAX 0727 on 06 December 2011 and R/I spoke with PO Sean Piazza, who requested that a copy of the Log Scan Request and Fax Confirmation Report was emailed to him for further investigation.
